

THE AMERICAN BOARD OF ORTHODONTICS

PETITION TO TAKE THE INITIAL CERTIFICATION EXAMINATION In **SEPTEMBER 2018** or **FEBRUARY 2019**

(Rev. 1/15/2018)

(Please print)

I, Dr. _____ (Examinee's name) am petitioning the American Board of Orthodontics to be considered for registration for the Traditional Clinical Examination (ICE) with the existing case submission requirements.

- I understand that I must submit a minimum of 3 cases, and that one must have a DI of 20 or greater.
- I understand that if I submit less than 6 cases, or if any portion of my exam is Incomplete, I will be notified of the necessary steps to complete board certification when exam results are released.
- I understand that the September 2018 and February 2019 Examinations will be **Notebook Presentation only** and that the ABO will no longer be accepting Electronic Case Submission.
 - Physical models are required (plaster and stereolithic models are acceptable according to ABO standards)
 - Digital Models will not be accepted
 - Case Report Work Files and case records must be submitted in the notebook presentation according to ABO assembly instructions.

Please select one:

- September 2018 Examination
- February 2019 Examination (graduation date September 2018 or later)
- Requesting exception to take February 2019 Exam although graduation date is prior to September 2018

- Total number of patient cases I intend to submit _____
- Date of graduation from CODA Accredited Orthodontic Program (mm/yy) _____
